

Clery Act Report 2023

Pontifical Faculty of the Immaculate Conception Safety Mission

The Academic Center, reflecting its Roman Catholic values, expects that its faculty, staff and students will act in a manner that is consistent with those values in their use of college resources and property. To protect the integrity of the learning community and ensure ethical and lawful standards of conduct, the Academic Center will investigate any possible dishonest or fraudulent use or misuses of its resources, property, or other reported conduct that may also be criminal by faculty, staff, or students in connection with their employment or attendance.

All members of the Academic Center community are to communicate such conduct. To do so, employees and students have available several avenues for reporting their concerns: the conduct can be reported to a supervisor, the Dean, or the President. If for any reason an employee finds it problematic or uncomfortable to report his or her concerns to a supervisor or executive administrator, he or she may do so anonymously by calling the President: (202)-495-3832.

Those receiving reports of suspected dishonest, fraudulent, or other conduct involving employees that may be criminal should not undertake an investigation of the reported conduct on their own, but rather communicate such conduct to the president who will appoint a board to review and investigate the charges.

Anyone determined to have more than likely engaged in such conduct will face disciplinary action, which may include dismissal or expulsion, and civil action or criminal prosecution when warranted.
